Frequently Asked Questions (FAQs)

About CBT*ABC way apps

Please find below quick answers to the most Frequently Asked Questions.
Please read our **Privacy Policy** and **Terms of Service** information for more details.

Does TikalBayTek collect or store my private information?

No, we do not collect or store any information from or about you, or of use of the app from the device. What you type in the app is only on your device.

Does the app collect or store private information about children?

No, we do not intend to collect or store personal information from children who are under 13 years of age.

Does the app allow companies to show ads or collect data?

No, the app does not allow companies to show ads or collect data.

Does the app enable social networking features?

No, the app does not enable social networking features.

Does the app transmit precise location data (e.g., GPS)?

No, the app does not transmit precise location data.

If my child, teen, or myself are participating in counseling, how can the app help?

The app can help you practice what the counselor teaches when you meet with him or her.

Can the app be like my counselor?

No, the app is not intended to replace seeking help from a trained health professional. It is not a substitute for counseling/therapy.
